

**About the online oral examination of Graduate School of Human and  
Socio-Environmental Studies (Doctoral Course), Kanazawa University**

1. Notes

- (1) The oral examination is not a face-to-face but a remote examination. Please do not come to Kanazawa University on that day.
- (2) Please take the oral examination in a quiet room where others cannot enter, such as the examinee's own room.
- (3) It is not allowed to refer to anything other than application documents during the oral examination. In addition to documents, dictionaries, etc., we also do not allow information retrieval by communication devices or information acquisition from others.

2. Method of the oral examination

- (1) The oral examination is conducted using a PC or tablet terminal. Make sure that the device used for the oral test has a microphone and a webcam. The software used for communication is Skype. Please download the Skype application and set up your account.
- (2) Please inform your faculty member who will be the supervisor by email by July 3 (Friday) your "Skype Name", the email address you used for your Skype account, and the email address you normally use.
- (3) It is the applicant's responsibility to prepare the communication environment during the oral examination.
- (4) We will perform a communication test before starting the oral test.  
In case of communication interruption, we may contact you by e-mail etc. urgently. Also, depending on the circumstances, we may change to another communication method.

3. About examination time

For details of the oral examination time slot, etc., we will contact you by e-mail etc. after application. Please be careful not to miss emails and other communications.
